UNKNOWN SUBJECTS (2);
ROBERT DAVID OSMAN - VICTIM;
MARIO SAVIO - VICTIM

Assistant Chief M. B. PIERCE (National Academy), Jackson, Mississippi, Police Department, advised on July 22, 1964, that the victims made a complaint on that date to the Jackson Police Department that two unidentified white men assaulted them with night sticks while victims were walking on the sidewalk at approximately 4:00 PM, July 22, 1964, near Gallitan and Amite Streets, Jackson.

Victims, both white males, are volunteer workers with the Council of Federated Organizations (COFO), Jackson, and were walking with an unidentified Negro male who ran from the scene when the incident occurred and was not struck. One unknown subject struck at Victim SAVIO but did not land a blow. The other unknown subject struck Victim OSMAN on the wrist and arm.

Victims believe that the unknown subjects were driving a gray Chevrolet, possibly a 1957 model, bearing a blue tag with white numerals 50-1611. 1964 Mississippi license tags are white with red numerals.

The victims declined the offer by the Police Department of transportation to the hospital after the interview and returned to the COFO Office, Jackson.

Assistant Chief PIERCE advised that the Police Department is conducting investigation to attempt to identify and locate the unknown subjects.

SAC Roy Moore, Jackson, was advised that this matter has been discussed with the Department, which has taken it under advisement until Monday. He was also informed that the case probably will be turned over to local authorities for handling and that if this is done the local authorities will be expected to publicly give the Bureau credit for having conducted an effective investigation and turn the information over to them.

SAC Moore was instructed that no discussion is to be had with local authorities at this time but that upon receiving a final determination from the Department on Monday he will be appropriately advised.

SAC Moore was also requested to submit a teletype giving a complete summary of all investigation subsequent to the report and setting forth his opinion as to whether local authorities would take action if the case were turned over to them and whether local authorities would be willing to give public credit to the FBI.

This is submitted for information.

This is the case in which two white Council of Federated Organizations (COFO) workers, accompanied by a young Negro, were chased by two club-wielding white men in Jackson, Mississippi, 7/22/64. One of the subjects caught victim Osman and struck him repeatedly with a club; however, he did not suffer serious injury. The other victim, Mario Robert Savio, was struck once or possibly twice a glancing blow on his left shoulder as he fled but suffered no permanent injury. Intensive Bureau investigation identified [REDACTED] 29-year-old local Klansman, as being one of the subjects, and the identification was confirmed when arrangements were made for Osman and [REDACTED] the 16-year-old Negro who had been with the white boys at the time of attack, to observe [REDACTED] in the vicinity of his home on 8/7/64.

One H. L. Holmes, who is also reported to be a Klansman and is an associate of [REDACTED] was considered a prime suspect but when arrangements were made for the victims to observe Holmes late Saturday afternoon they stated Holmes is not a subject in this case.

This has been discussed with the Civil Rights Division of the Department and St. John Barrett has now advised that the case should be turned over to local authorities in lieu of Federal action; however, Barrett requested that we complete our own investigation at this time in view of the possibility that if local authorities fail to vigorously pursue the case the Department will again consider Federal prosecution.

DETAILS:

This preliminary investigation was predicated upon information furnished by Assistant Chief M. B. PIERCE, Jackson Police Department, Jackson, Mississippi, on July 22, 1964, regarding complaints filed by MARIO SAVIO and ROBERT OSMAN in connection with an attack made upon them by two unidentified white men.

This investigation was conducted jointly by Special Agents JOSEPH B. MC ALEER and HAROLD F. GOOD.

Date 7-30-64

S. B. BARNES, Deputy Chief, Police Department, Jackson, Mississippi, consulted his files and advised that **MARIO SAVIO** and **ROBERT DAVID OSMAN** were interviewed at Police Headquarters in the late afternoon of July 22, 1964. At approximately 4:00 PM on July 22, 1964 a call was received from the McKesson and Robbins Building located at the corner of Gallatin and Amite Streets which was answered by Officers **FRED HARDWICK** and **R. W. GENTRY**, reporting a fight that had taken place about fifteen minutes earlier. **OSMAN** had told the responding officers that he and **SAVIO** had been assaulted by two white men who stopped their car and got out with clubs in their hands. One of the attackers struck **OSMAN** while the other struck **SAVIO** but did not land a hard blow.

SAVIO and **OSMAN** reported that they had been in the company of a colored male, whose name they did not know, who ran off and left them when the assault took place. The officers brought **SAVIO** and **OSMAN** to Police Headquarters where complaints were filed by the Victims against the two attackers.

OSMAN stated that he had come to Mississippi from Oxford, Ohio, about a month ago and was assigned by the Confederation of Federated Organizations (COFO) to work on the drive for voter registration in Holmes County. **OSMAN** came to Jackson, Mississippi around 12:30 PM, July 22, 1964 and after reporting at COFO headquarters they went to lunch at a church on North Parish Street where they were taken by car.

After lunch they decided to walk back to COFO headquarters at 1017 Lynch Street since they had no means of transportation available. In the company of a Negro male whom they had met at the church, **SAVIO** and **OSMAN** walked west on Amite Street and had crossed Gallatin Street and were walking on the sidewalk adjacent to the McKesson Robbins Building when a grey automobile, believed to be a Chevrolet, drove past them and stopped at the curb. Two white men with clubs got out of the car and ran toward them. One assaulted **ROBERT OSMAN** and the other attacked **SAVIO** but did not land a blow. The Negro that was with them ran off and escaped. **SAVIO** stated he was able to get away completely from his assailant. **OSMAN** was struck by his attacker with the club on his right arm and right wrist and elbow. **OSMAN's** elbow was skinned when he fell to the pavement to avoid his attacker. **OSMAN** had fallen down and put his

OSMAN and SAVIO were offered transportation to a hospital for treatment but both refused this offer and were transported to COFO Headquarters at 1017 Lynch Street.

SAVIO and OSMAN described the car as grey, possibly a 1957 Chevrolet, and SAVIO furnished the tag number as 50-1611 on white plates with blue numerals. The county was covered with a piece of metal.

The attackers were described by SAVIO and OSMAN as white males, in their early thirties, dressed in casual clothes without hats. They both had dirty blond hair.

ROBERT DAVID GEMAN was interviewed at the office of the Resident Agency of the FBI, United States Post Office, Jackson, Mississippi. The information he furnished was incorporated in a statement signed by GEMAN, which reads as follows:

"At Jackson, Mississippi
July 23, 1964

"I, **ROBERT DAVID GEMAN**, make the following statement voluntarily to **Harold F. Good** and **Joseph B. Mc Alister** who have identified themselves to me as Special Agents of the Federal Bureau of Investigation.

"At approximately 3:40 P.M. on July 22, 1964 in the vicinity of **Mc Kesson** and **Robbins Company** building near the intersection of **Amite** and **Callitin** Streets, I was in the company of **MARIO SAVIO** and a negro male whose name I do not know, when a grey car, the make and model I do not know, stepped in the street in front of us and two men got out of the car holding clubs in their hands. The car was about two or three car-lengths from us. I was immediately aware that I was in serious danger. The men ran toward us and the three of us turned and ran away from them.

"I ran through an area adjacent to the street covered with high grass into a delivery area which was about four feet below the level of the street. One of the men took another route and cut off my escape. At this time I realized that I was unable to escape. I am committed to nonviolence and fell to the ground trying to protect myself as best I could. I made no attempt to do him any kind of physical harm.

"I covered my head with my arms to protect that area from attack. I was unable to observe the attack that was made upon me but I suffered hard, vicious blows from the club upon my right arm, right wrist, right knee, my ribs on my right side and the right side of my back. The next thing I recall is hearing one of the men say 'lets get out of here'. I believe it was the one who was attacking

me. I continued to protect myself until I felt that it was safe to look up. I could no longer see either man. I was unable to get up and from my position I was unable to see the car they had come in.

"I had noticed the car when the men first drove up had a license plate with a white background and blue numerals which I strongly believe to have been a Mississippi plate from the year 1963, since I have seen 1963 Mississippi tags on numerous occasions before.

"When the two men originally got out of the car I observed them and describe one man as follows:

Age	about 30
Race	White
Sex	Male
Height	5'9" - 5'11"
Weight	155
Hair	Dirty Blonde, cut short
Dress	Old, worn, tannish, out-of-date sport clothes.

"The second man was very similar in description to the first man.

"Both men had wooden clubs about a foot long and appeared to be manufactured rather than home-made.

"I was taken to a Doctor Turner in a car by Michael Kenney, where I was examined and sent to a hospital for X-Rays to be taken. I do not recall the location of the office of the doctor nor the name or location of the hospital. I was informed at the hospital that I had no broken bones.

"I had been advised that in case of attack it is better if one has the presence of mind to inform the assailant that I am working on voter registration which is protected by Federal laws. However, in the suddenness of the attack I did not have the presence of mind to do so. My companion Mario Savio, however, was wearing a button about an inch and $\frac{1}{2}$ in diameter bearing the inscription 'One man - one vote', the motto of the voter registration drive for the summer of 1964. I believe that the assailants identified us as civil rights workers through this button.

MARIO ROBERT SAVIO was interviewed at the office of the Resident Agency of the Federal Bureau of Investigation (FBI), United States Post Office, Jackson, Mississippi, on July 23, 1964. The information he furnished was incorporated in a statement signed by SAVIO which reads as follows:

"July 23, 1964

"I MARIO ROBERT SAVIO hereby make the following voluntary statement to JOSEPH B. MC ALEER and HAROLD F. GOOD, both of whom have identified themselves as Special Agents of the Federal Bureau of Investigation.

"I arrived in Jackson Mississippi about 12:00 noon on July 22, 1964 having worked on the Voter Registration Drive in Holmes County, Miss. I was on my way to another part of Mississippi to continue this work. I had lunch at a church on Farish Street with ROBERT OSMAN, also a worker on the Voter Registration Drive, and we met a local Negro outside the church who said he would walk with us toward the Council of Federated Organizations (COFO) office because we did not know where it was located. We had just passed the intersection of Gallatin Street and Amite Street and were next to the Mc Kesson building at about 3:40 p.m. when a grey Chevrolet automobile in the early 1950s pulled ahead of us and stopped at the curb. It had, what appeared to me, 1963 Mississippi license plates with the county designation covered. It had light blue letters on a white background with numbers which I believe were 501611. Two white males sprang from the vehicle and both had brown wooden billyclubs. They came at us and we ran and they chased us. The Negro fellow, whose name I didn't know, and I ran back toward the

intersection. At the intersection he went left and I ran to the middle of the street in front of the Mc Kesson Building and stopped and looked back. If the Negro fellow was struck I didn't see it. I was struck once or possibly twice by the billyclub as I was running. I was hit on the rear part of my left shoulder but it was a glancing blow and I feel as though there is no permanent injury. There are no marks showing on the rear of my left shoulder and no swelling. I didn't hear the one who chased me say one word.

"When I turned around in the intersection of the street I could see ROBERT OSMAN being beaten on the back with a billy club. He was doubled up with his hands clasped over his head. The one who chased me ran back in the direction of the car and very shortly thereafter both of them fled in the vehicle. We then went into the Mc Kesson building and called the police. About ten to fifteen minutes after the call two uniformed policemen arrived and questioned us in a general way about the incident. They then took us to the Police Department and we were interviewed separately by two plainclothesmen and thereafter one of the latter drove us back to the COFO headquarters. Since I didn't feel as though I was seriously injured I did not seek any medical assistance in any form. ROBERT OSMAN did ask to be brought to either a doctor or a hospital and the police said they were willing to take him.

"With regard to the man who chased me, if I saw him again, I would be able to say I think that is he. I could not identify the man who beat up ROBERT OSMAN. The man who chased me is described as follows:

Race	White
Sex	Male
Age	30 yrs.
Height	5'-8"-9"
Weight	145-150 lbs.
Hair	Dark brown, bushy
Complexion	Ruddy
Build	Slender
Clothing	Old sport clothes
Characteristics	Remnants of pock marks on face. Possible acne

[redacted] Jackson, Mississippi, stated he met MARIO SAVIO and HUBERT OSMAN on July 22, 1964 at the church on Parish Street where he had eaten his lunch. SAVIO and OSMAN did not know the way to the Council of Federated Organizations (COFO), 1017 Lynch Street, so he said he would show them the way.

He said they were walking along a street in Jackson near a viaduct and in the vicinity of a drug company. They had crossed the intersection when he looked back and saw a black Buick, about a 1952 or 1953 model, coming along slowly from behind. It pulled up a short distance in front of the three men and stopped. There were two men in the car and when it stopped both jumped out. The one nearest [redacted] had a club in his hand and the other was not seen clearly. The man [redacted] had seen with the club he described as about 24 years old, 6' tall, 160 pounds, brown hair, gray eyes, slender build, white race, light complexion.

[redacted] said that nothing was said by the white men who had jumped out of the car or by the men who were with him. When the men got out of the car, [redacted] said he ran as fast as he could away from the area and did not rejoin the men he was directing to COFO Headquarters.

[redacted] said he was a student at the Jim Hill High School and has been voluntarily working for the National Association for the Advancement of Colored People (NAACP). He stated he was not struck by either of the two men and had gotten away. He said he was not engaged in any of the work conducted by COFO or the voter registration drive.

A statement containing the above information was prepared for [redacted] but [redacted] said he could not read it.

[redacted] said if he saw the man with the club or the car that the men were in he could identify them.

From observation and interview the following information was obtained:

FEDERAL BUREAU OF INVESTIGATION

Date 7/30/641

An examination of the neighborhood in which MARIO SAVIO and ROBERT DAVID OSMAN reported that they had been attacked was made by SAs JOSEPH B. MC ALKER and HAROLD F. GOOD. The street on which the alleged attackers first approached SAVIO and OSMAN was Amite Street and runs along the side of the McKesson and Robbins Building at the location of the truck platform. The place where OSMAN described as being the place where he had been attacked, the delivery area at the McKesson and Robbins Building, was concealed from the surrounding area because it was below the level of the street and grass was growing tall between the sidewalk and the delivery area.

Across the street from the McKesson and Robbins Building is the Ryan Supply Company, a warehouse for electronic equipment. On the corner diagonally across from McKesson's is an unoccupied two-story building. The remaining corner is occupied as a storage area for a lumber yard. Considerable traffic was seen to pass through this area. However, the possibility of people observing the attack from the surrounding buildings was practically non-existent.

FEDERAL BUREAU OF INVESTIGATION

Date 7/30/64

JACK SLATER, Division Manager, McKesson and Robbins, Inc., North Gallatin and Amite Streets, Jackson, Mississippi, advised that on the afternoon of July 22, 1964 a tall blond-haired young man came into his office and asked if he may use the telephone to call the police to report a beating. He was granted permission and made the call. After completing the call, he asked permission to make another local call to advise his office where he was located. He was granted permission to make this call.

Upon completing the call, he went outside and assisted another young man who appeared to have an injured arm and came into the building and remained in the lounge until the police arrived. The police officers accompanied both young men out of the building and nothing more was heard or seen of them.

SLATER stated that he went outside and noticed that a truck of Mississippi Butane was in the driveway of his company and the driver was standing outside the truck. SLATER asked the driver what was going on. The driver told him that a young Negro fellow had just run in front of his truck and to avoid hitting him, the driver had to turn the truck into the driveway. SLATER asked him if he saw anything that caused the man to run and driver told him that he saw nothing else in the area.

SLATER stated that the McKesson trucks would not be at the platform at the time the alleged attack took place but there may have been trucks making deliveries. This information would have to be secured from the shipping clerk.

Mr. R. D. HUFF, Shipping Clerk, McKesson and Robbins, Inc., North Gallatin and Amite Streets, Jackson, Mississippi, advised that he had been making a delivery to a customer's car a short distance from the building when, upon returning, he was almost knocked over by a Negro young man running away from the direction of the side of the McKesson Building. A short distance away, across the street, a white young man was also running across North Gallatin. HUFF stated that he saw no one running after either of these two men and could see nothing that appeared to be the cause of these men to flee.

HUFF stated he did not see any white men in the immediate area wearing brown or tan clothes. He stated also that he was the only person in the delivery area at the McKesson Building. He said that he did not see anyone run into the delivery area at the side of the McKesson Building nor did he see anyone with a club or anyone being attacked.

The following investigation was conducted by SA's EUGENE E. BJORN and W. J. DANIELSON, JR., at Philadelphia, Mississippi, on July 27, 1964:

Mrs. B. HODGINS, Route 8, said her son, LEGETTE HODGINS, is married to ELLA MAE HODGINS. She said they reside in Philadelphia, Mississippi; however, her son is employed by the Kirby Construction Company, Jackson, Mississippi, a road-building company, and is presently working in Inverness, Mississippi, and can be reached at telephone Inverness 5127. She said she knew nothing regarding 1963 Mississippi License tag 50-1611 registered to her daughter-in-law, ELLA MAE HODGINS, on a 1952 Buick, although she said she did recall her daughter-in-law had made a swap with her daughter's husband, AUSTIN HUDSON, for another automobile. She said AUSTIN HUDSON resides at 411 Alta Wood Boulevard, Jackson, Mississippi.

Mr. B. HODGINS, Route 8, said that in September or October, 1963, ELLA MAE HODGINS owned a 1952 Buick and she swapped this Buick for a newer Buick with his son-in-law, AUSTIN HUDSON. He said that ELLA MAE left her 1963 license tag on this car when she made the swap and he is sure she would have no idea where the license tag or automobile could be located at this time. He said he understood AUSTIN HUDSON had put this automobile in a used car lot for sale some time ago and he would probably know who had possession of the automobile at this time.

[REDACTED] Jackson, Mississippi, was interviewed in another matter, in the vicinity of Ford Avenue and Bullard Street, Jackson, by SAs WILLIAM W. HAMILTON and L. DAVID WALTERS, Jr., on July 20, 1964. During the course of this interview [REDACTED] advised that he is a member of the Americans for the Preservation of the White Race. He said he has attempted to join the Ku Klux Klan (KKK) but had been unsuccessful. He said he owns a 1952 black Buick. At the conclusion of the interview SAs HAMILTON and WALTERS observed a 1952 black Buick bearing Mississippi license plate V 4121 parked nearby.

Date 7/29/64

AUSTIN HUDSON, 411 Alta Woods Boulevard, Jackson, Mississippi, advised that he had received a 1952 black Buick from his sister-in-law, ELLA MAE HODGINS, Philadelphia, Mississippi. He said that the car was in poor condition and he wanted to get rid of it. He left it with J. C. SANDERS' gas station, 275 Raymond Road, Jackson, in May, 1964, to sell for him. The car was sold for \$30.00 for which SANDERS received a check but gave the cash to HUDSON.

HUDSON stated that SANDERS told him the car had been sold to a local dealer who handles cars of this kind.

HUDSON stated that the 1963 plate that had been on the car was still on it when he gave the car to SANDERS to be sold. He did not secure plates for the car for 1964.

He paid for this by check on his business account at Deposit Guaranty Bank and Trust Company, Jackson, Mississippi, to J. C. SANDERS, check number 296, dated May 27, 1964. This check, which HAMMON exhibited contained a notation "51 Buick." When questioned as to the year of the Buick, he said he was not sure, it may have been a 1952.

HAMMON stated that he did not receive a bill of sale for the car from SANDERS or HUDSON and did not notice the license plates that were on the car. He took it as it was to his shop which is a short distance from SANDERS' gas station and kept it there. About six or seven weeks ago, [REDACTED] bought the car from him for \$50.00 which he received in cash. [REDACTED] drove the car from his place of business. RECOMMENDATION FOR COMMENDATION

b7C
The purpose of this letter is to recommend commendation for SAs HAROLD F. GOOD and JOSEPH B. MC ALEER who through perseverance and hard work traced one of the attackers in captioned case which resulted in his prosecution in local court.

On 7/22/64 at Jackson, Miss., two white COFO workers, SAVIO and OSMAN, in the company of a Negro, [REDACTED] were attacked by two white men with clubs. SAVIO and [REDACTED] escaped while OSMAN was cornered and beaten by one of the attackers. SAVIO, noticing that he was no longer pursued, returned and obtained the license number of the car that was used by the attackers. Investigation by FBI Agents traced the license to the car owned by [REDACTED] although the vehicle had changed hands four times before [REDACTED] acquired it. OSMAN and [REDACTED] subsequently identified [REDACTED] as one of the attackers when [REDACTED] was interviewed under pretext outside his residence. Results of investigation furnished to Jackson Police Department per Bureau instructions and [REDACTED] was arrested on a charge of assault, misdemeanor, and was subsequently identified in police department line-ups by [REDACTED], SAVIO and OSMAN. [REDACTED] was convicted of this charge and sentenced to 30 days in jail and \$100 bond.

The trial of [REDACTED] took place at the Municipal Court on Friday, 8/14/64, at 4 p.m., before Judge pro tem W. B. FONTAINE. JACK TRAVIS, the City Prosecuting Attorney, represented the City of Jackson and HUGH BAILEY represented the defendant.

MARIO SAVIO, ROBERT OSMAN and [REDACTED] were the first three witnesses for the prosecution and testified to the attack upon them by two men with clubs on 7/22/64 on Amite Street near Gallatin and identified [REDACTED] as one of the attackers.

b6
b7c
Three members of the Jackson Police Department testified. Two officers responded to the call made by SAVIO at the time of the attack and transported SAVIO and OSMAN to Police Headquarters. One of these officers testified to this. Detective W. C. CHANCE testified that OSMAN and SAVIO furnished him with the information regarding the attack and the tag number of the car used by the attackers. CHANCE testified that the above information was furnished to the FBI.

The third member of the Jackson Police Department prepared to testify that he had arrested [REDACTED] on a warrant but his testimony was waived by defense and the Judge excused him.

SA JOSEPH B. MC ALEER testified to the investigation conducted, tracing the ownership of the car used by the attackers identified by the license tag furnished by SAVIO. This testimony showed that the car at the time of the attack was the property of [REDACTED]

[REDACTED] took the stand himself and the following witnesses testified in his behalf:

H. L. HOLMES
D. C. YEARWOOD

JN 44-68

W. F. BARRETT
EMANUEL BURNS

A group of about twenty men was assembled with [REDACTED] HOLMES and other defense witnesses in front of the courthouse before trial and later were seated in the court room during the trial.

b6
b7c HOLMES, [REDACTED] and others in the group of men were recognized as having been interviewed as Klansmen under the program of interview of all known members of the Ku Klux Klan.

It is recommended that SAs MC ALEER and GOOD be commended for their excellent performance in this case.

The primary basis for the SAC's recommendation for letters of commendation in this matter is that the Agents, after being furnished the license number of the car that was used by the attackers, traced this license number to the subject in this case. Since tracing of a license is routine investigation, the General Investigative Division does not feel that the Agents' investigation in this matter is worthy of commendation.

Date 8-10-64

Mr. H. L. HOLMES, owner and operator of Holmes Auto Sales, Terry Road and Gallatin Street, Jackson, Mississippi, was advised that he did not have to furnish any information and that if he did it may be used against him in a court of law. He was also advised by SA HAROLD F. GOOD that he could consult an attorney if he desired.

HOLMES stated that he has been contacted by [REDACTED] with whom he is well acquainted, and was told by him that the FBI was investigating him regarding an attack that was made on July 22, 1964. HOLMES recalled that on that day [REDACTED] had come to his place of business at about 2:00 p.m., according to one of the men at his place of business and from there proceeded to the Auto Sales Auction or Wholesaler at Route 51 in Jackson where he, HOLMES, met [REDACTED]. He and [REDACTED] returned to his place of business separately in different cars. [REDACTED] was alone in his car and HOLMES was alone in a car he had just purchased.

b6
b7c

[REDACTED] parked his car a short distance from the HOLMES car lot, exactly where HOLMES did not recall, and returned to his car lot. [REDACTED] accompanied him to the CAR Sales Auction, HOLMES purchasing a few cars for sale on his car lot, on two more trips. Upon returning from the last trip at about 4:00 p.m. or a little later, [REDACTED] said he would have to move his car because it was after 4:00 p.m. and it was parked on a street on which rush-hour traffic would be starting soon and he might get a ticket. [REDACTED] by himself, brought his car over to HOLMES car lot and remained there at HOLMES place of business until about 6:30 p.m. HOLMES stated that [REDACTED] was in his company continually from about 2:30 p.m. to about 6:30 p.m. except for the short period of time it took [REDACTED] to get his parked car and bring it to the HOLMES car lot. He said that [REDACTED] could not have committed the alleged assault.

Judge FONTAINE then sentenced [REDACTED] to 30 days in jail and \$100 fine.

The 12/10/64 Washington News Release advised Mario Savio, leader of student demonstrators, University of California, had begun cross-country speaking tour and was scheduled to appear at the University of Michigan, Columbia University, City College of New York, Queens College, and Harvard. He is accompanied by Bettina Aptheker, Suzanne Goldberg and Steve Weissman. It was stated the American Broadcasting Company was paying expenses of all to New York for appearance on the Les Crane Show. The Director noted "What do we know of Savio?"

Mario Savio is the leader of the recent lawless demonstration at the University of California at Berkeley which resulted in the arrest of 781 demonstrators on 12/3/64. Savio, 22 years of age, is also chief spokesman for the Free Speech Movement who has been engaged in a running disagreement with the University administration over political activities on campus in violation of University regulations. Investigation of Savio to date has not developed any information indicating affiliation on his part with a subversive group. However, he has been extremely close and in frequent company of Bettina Aptheker, a current active leader in the Communist Party in San Francisco. Savio was arrested 3/7/64 in connection with sit-in demonstrations staged at the Sheraton-Palace Hotel, San Francisco. He was charged with disturbing the peace, but was acquitted 5/12/64.

MCT-7 REC-1

The San Francisco Office by teletype 12/10/64, advised purpose of speaking tour by Savio and companions is to raise money for the defense fund of 781 University of California students who were arrested 12/3/64.

Memorandum to Mr. W. C. Sullivan
RE: MARIO SAVIO
STUDENT DEMONSTRATIONS
UNIVERSITY OF CALIFORNIA
AT BERKELEY

In view of the close association of Bettina Aptheker (daughter of Herbert Aptheker, member of National Committee of the Communist Party, USA) with Savio, all offices have been instructed to intensify their coverage of the activities of Savio as well as the other individuals accompanying him on this tour and advise the Bureau of all pertinent information developed, particularly if there is any indication that Savio or his companions are in contact with subversive groups. It is noted that Savio is scheduled to return to San Francisco on 12/14/64 to appear in court as a result of the aforementioned arrest. Pertinent information developed to date concerning the demonstrations and/or participants therein have been disseminated to the Internal Security Division and Civil Rights Division of the Department, Secret Service, and military intelligence agencies.

The San Francisco Office by teletype dated 12/10/64 was authorized to furnish Governor Brown on a confidential basis public source information, lead information and general information concerning communist affiliations of participants in the aforementioned demonstrations. This action was taken pursuant to a personal request of Governor Brown of our San Francisco Office as he reportedly intends to call an emergency meeting of the University Regents to support the Administration of the University since the faculty adopted a resolution supporting the demonstrators which would tend to give the faculty authority over student discipline rather than the Administration.

ACTION:

The above is submitted pursuant to the Director's inquiry. This matter is being closely followed and all interested offices have been instructed to keep the Bureau advised of all activities on the part of these individuals and others involved in the demonstrations.

In a letter to the Director dated June 9, 1965, captioned individual referred to the Director's recent testimony before the Appropriations Committee. Specifically, he made reference to that part of the testimony concerning Mario Savio, the individual who led the campus demonstrations on the Berkeley campus of the University of California last year. In essence, he protested the Director's disclosure that Savio had attended Manhattan College before going to the University of California. He said that, if this was wrongly interpreted, it could create an adverse impression concerning the type of students to be found on the Manhattan College campus. The Director noted on the letter, "If somebody wants to read into my testimony something I didn't say that's his privilege."

In order to resolve this matter and set Brother Stephen straight, the New York Office was instructed to have Special Agent in Charge Roney contact him in person.

Roney advised that he contacted Brother Stephen on June 15, 1965, and orally acknowledged his letter. Roney pointed out to Brother Stephen that the Director's testimony was not intended to cast aspersions on Manhattan College or its students. Roney said, that, if such aspersions were derived from the testimony, it was because the reader chose to interpret them as such.

Brother Stephen acknowledged the validity of this statement. He said his primary purpose in writing the letter was to assure the Director that Mario Savio was not indicative of the usual high caliber of students at Manhattan College. He emphasized that his letter was not written in a critical vein, because, as he said, he has the highest admiration for the Director and the Bureau. He assured Roney that the Bureau would have his full and complete cooperation in any situation where he can be of assistance.

Dear Mr. Hoover:

DATE 9-5-89 BY SP-1 A-600

In your testimony before the House Subcommittee on Appropriations on March 4th, 1965, you stated concerning Mario Savio: "He attended Manhattan College in New York City until 1963 when he enrolled at the University of California at Berkeley."

According to our understanding of this young man's academic career your testimony was incomplete. Mr. Savio was enrolled at Manhattan College for his freshman year during 1960-61. He left Manhattan College to go to Queens College, Queens, N.Y. in September, 1961. After attending Queens College, he transferred to the University of California at Berkeley when his family moved to California. Mr. Savio left Manhattan College in good standing. While he was here he was well known to several members of the religious faculty. A young man of liberal tendencies, he did not manifest at Manhattan College those undesirable traits to which your testimony gives evidence.

While it is recognized that your testimony does not point a finger at Manhattan College, the intention of this letter is to correct the recorded statement which could, if wrongly interpreted, raise a question (and perhaps an eyebrow) concerning the type of student to be found on this campus.

I recognize that oral testimony may oftentimes be incomplete by reason of the circumstances within which it is rendered. However, the written record thereof admits of undesirable interpretation almost because it is the lifeless printed word. I trust your customary kindness will prompt you to interpret this letter in the spirit which moves its author to write it.

With cordial good wishes,

Sincerely,

ReSFairtel with enclosed letterhead memorandum dated 12/9/66 captioned "Student Demonstrations, University of California, Berkeley, California, Fall Quarter of 1966, Information Concerning."

Information in referenced letterhead memorandum and other communications including news media indicate that subject is again becoming extremely active in student demonstrations at the University of California, Berkeley, California, even though he is not now a student. Referenced letterhead memorandum concerns a student strike against the University which was temporarily halted on 12/6/66 in view of pending examinations and to allow negotiations between the students and the administration. Savio along with self-admitted Communist Party member Bettina Aptheker and other individuals affiliated with subversive organizations were actively engaged in the leadership of this strike and have given every indication of carrying out the threat to reinstitute the strike in January, 1967. Page three of referenced letterhead memorandum characterized subject as having been present during the Fall of 1966 at his residence when Communist Party contact classes were held there.

In view of the anticipated prominence of Savio in demonstrations at the University and the resulting publicity that can be expected from his actions, coupled with his association with Aptheker and others with subversive backgrounds

MARIO ROBERT SAVIO
SECURITY MATTER - C

EX 107

11/11/11

It is noted that [subject attended meetings sponsored by the Communist Party (CP) at his residence in August, 1966;] was listed as a speaker for the Socialist Workers Party at a meeting held in November, 1964, and has been a close associate of Bettina Aptheker, a national CP functionary. In addition, subject has been the leader of student rebellions at the University of California at Berkeley, California, and has actively participated in numerous demonstrations against United States policy in Vietnam.

In view of the foregoing, the Bureau is of the opinion that subject's activities warrant the inclusion of his name in the Security Index. Security Index cards are being forwarded to your office by separate cover.

Jail Terms Go to Savio, Miss Aptheker

BERKELEY, Calif., June 30 (UPI)—Mario Savio and Bettina Aptheker Kurzweil, leaders of the Free Speech Movement at the University of California, went to jail today for their part in the 1964 Sproul Hall sit-ins.

Savio, 23, and Mrs. Kurzweil, 22, an avowed Communist, were ordered to serve their sentences immediately after Municipal Judge George Brunn denied a request by Mrs. Kurzweil's attorney to delay her imprisonment because she was pregnant.

Savio will serve 120 days at Santa Rita Prison Farm. Mrs. Kurzweil was sentenced to 45 days there.

Judge Brunn now has sentenced more than 400 of the 576 youths since the U.S. Supreme Court rejected their final appeals earlier this month.

During your investigations of organizations which fall under the category of "new left" organizations, you have furnished information indicating that certain individuals in the Students for a Democratic Society and anti-Vietnam war groups are extremely active and most vocal in their statements denouncing the United States and calling for civil disobedience and other forms of unlawful and disruptive acts. These individuals, because of their leadership roles and activities in these organizations, could be considered to be Key Activists.

RE: INVESTIGATION OF THE NEW LEFT
(KEY ACTIVISTS)
100-446997

At this time, the Bureau is designating the following individuals as Key Activists in the "new left" movement: New York, Gregory Alan Calvert, Linda M. Dannenberg, Jerry Clyde Rubin, Steven Edward Halliwell; Chicago, Carl Albert Davidson, Charles Clark Kissinger, Robert Milton Pardun; Boston, Nicholas Michael Egleson, Michael Louis Spiegel; Cincinnati, Carl Preston Oglesby; Cleveland, Sidney Morris Peck; San Francisco, Mario Robert Savio, Robert Scheer; Newark, David Dellinger, Thomas Emmett Hayden.

Of this group, the following are not on the Security Index: Calvert, Dannenberg, Halliwell, Pardun, Spiegel, and Egleson. The offices handling these individuals are instructed to immediately reopen their investigations concerning them and submit reports together with a recommendation concerning their Security Index status. When considering these individuals for the Security Index, particular attention should be placed to current Bureau instructions on page 45, Section 87D, of the Manual of Instructions concerning the Security Index criteria and especially Item (C).

Furthermore, an intensive investigation of each of the above-mentioned individuals should immediately be initiated with the objective of developing detailed and complete information regarding their day-to-day activities and future plans for staging demonstrations and disruptive acts directed against the Government. Because of their leadership and prominence in the "new left" movement, as well as the growing militancy of this movement, each office must maintain high-level informant coverage on these individuals so that the Bureau is kept abreast of their day-to-day activities as well as the organizations they are affiliated with, to develop information regarding their sources of funds, foreign contacts, and future plans.

In the event adequate live informant coverage is not immediately available on these individuals, other types of coverage such as technical surveillances and physical surveillances should be considered as a temporary measure to establish the necessary coverage.

Airtel to SAC, Boston
RE: INVESTIGATION OF THE NEW LEFT
(KEY ACTIVIST)
100-446997

Each recipient office in which a Key Activist resides is instructed to submit a separate letter to the Bureau within 30 days from the date of this communication under the caption of each individual outlining what steps have been made to insure adequate informant coverage of these individuals.

Each recipient office is also instructed to remain alert for the addition of any individuals in their respective territories which would warrant intensified investigation and who fit the Key Activist category and submit their recommendations to the Bureau. In the future, when submitting communications concerning the individuals designated as Key Activists, these words should be added after the character except on communications such as reports and LHM's which will be disseminated outside of the Bureau. This will facilitate handling these cases at the Bureau. Reports should also be submitted to the Bureau every six months concerning these Key Activists.

This matter is being closely followed by the Bureau and you are expected to give the investigation of them individual continuous attention.

NOTE:

Item (C) on page 45 of Section 87D of the Manual of Instructions states that consideration should be given to placing those persons on the Security Index who have anarchistic or revolutionary beliefs and are likely to seize upon the opportunity presented by a national emergency to endanger the public safety as shown by overt actions and statements within the past three years.

ReBuairtel captioned "Investigation of the
New Left, Key Activists" dated 1/30/68.

Recent events on college campuses illustrate
the growing trend toward anarchy, which is overtaking
the nation.

It is imperative that the Bureau, as a result
of this evidence, redouble its efforts in penetrating
those groups which have spearheaded these attacks on
our established institutions and are currently calling
for open revolution.

The captioned subject was designated in
reBuairtel as a Key Activist as a result of his leader-
ship activity in the New Left movement.

A review of Savio's file has been completed
at the Bureau and the following observations are noted
bearing on your investigation of the subject.

No information was located in Bufiles to indicate
that your investigation has been directed toward fully
developing the subject's financial activity. This should
be done and a close surveillance instituted in order to
develop information regarding his financial status.

From information developed, to date, it would
appear that the subject may be moving away from those
New Left groups which have demonstrated their revolution-
ary bent and may be moving toward a more politically stable
posture, as revealed in his current candidacy on the
Peace and Freedom ticket. It may well be that the subject

is maturing politically and may no longer be classified as a Key Activist. However, the coming political campaign in California may serve to answer this question. You should, therefore, closely follow his speeches and writings during this campaign with a view toward resolving this question.

You should consider the use of telephone toll checks to determine the subject's contacts. A specific request for authority to make such checks should be made to the Bureau prior to conducting this phase of your investigation.

Relet instructed that a survey be made of the informant coverage available to you on the subject. Such a survey has not been received. You should, therefore, carefully review this investigation to determine the live, day-to-day informant coverage you have available. You should advise the Bureau of the results of this review of your coverage along with a frank evaluation, and your plans for its improvement, if needed.

Despite Savio's past activities, no recommendation has been received from you to include him on the Agitator Index. You should promptly consider the subject in this regard.

Some Key Activists, have traveled extensively both nationally and abroad, in the past. You should remain alert to this in order that you might promptly advise the Bureau of any travel planned by the subject. Information developed is to be furnished the Bureau and interested offices in a form suitable for dissemination.

In evaluating this case, you should bear in mind that one of the prime objectives should be to neutralize him in the new left movement. The Bureau will entertain recommendations of a counterintelligence nature to accomplish this end. You should, therefore, promptly

furnish the Bureau with your suggestions as to how this might be accomplished. Take no positive action, however, in this regard without specific Bureau approval.

You will be expected to pursue this investigation aggressively and with imagination. Delays in reporting important developments will not be tolerated.

NOTE:

Savio was designated a Key Activist by reBuairtel 1/30/68, based upon his past activities in the New Left movement. His file has been reviewed as a result of recent campus unrest and the San Francisco Office is being furnished with certain observations in order that a more aggressive investigation might be instituted.

The Bureau concurs with your recommendation that Savio no longer be retained as a Key Activist. However, in view of his past activities in New Left matters and his potential for possible violence, you should remain particularly alert for any indication of renewal of leadership on his part in the New Left movement. If you develop such activity on subject's part, promptly submit your recommendation as to whether he should again be considered as a Key Activist.

Savio in the past year has not been involved in New Left group activities. This file has been maintained in a pending

the Los Angeles Division not to be disclosed outside
the Bureau under any circumstances (Welfare) advised
that as of 2/1/73 subject was reported to be a patient
under psychiatric care at the University of California
at Los Angeles (UCLA) Medical Center, 760 Westwood Plaza,

A review at the Bureau has determined that the following persons have, at one time or another, contributed to disruption and violence on college and university campuses: Ernest Mandel (OO: NY); Gisela Mandel (OO: NY); Karl Dietrich Wolff (OO: NY); Daniel Cohn-Bendit (OO: WFO); Mario Savio (OO: SF); and Bettina Aptheker Kurzweil (OO: SF).

The above offices of origin have been assigned for the purpose of handling Antiriot Law investigation. Cohn-Bendit has been assigned to Washington Field Office since it appears this individual has not as yet arrived in the United States but has applied for a visa since he has invitations to speak at several universities, including the University of California at Berkeley. Any office receiving information that Cohn-Bendit has arrived in the United States should immediately advise the Bureau and Washington Field Office.

Immediately review your intelligence file and prepare an Antiriot Laws summary report containing all speeches made by subject on or after 4/11/68 on campuses throughout the United States as well as any other speeches and/or public statements wherein subject advocated or incited violence on a campus or elsewhere in the nation. Include verbatim transcripts of such speeches, if available, and promptly set out leads to interview witnesses such as representatives of news media and authors of articles appearing in college publications in order to obtain as much detail as possible concerning specific statements advocating violence.

RE: MARIO SAVIO

Verify all interstate travel and conduct logical investigation to obtain any statements made prior to interstate travel indicating the purpose of such travel was to incite a riot or civil disorder. Determine identity of persons extending invitations to speak in other than the resident state along with details concerning any financial arrangements. In event information is developed indicating a possible conspiracy among the above individuals, such information should be immediately furnished to the Bureau and the pertinent office of origin.

Predicate each speech with a documented summary of the status of any disorder already in progress at the location where subject spoke and follow with a documented summary of any violence which appears to have been a direct result of the speech delivered by subject. Witnesses of this nature would include interviews with top level university officials, campus security police, local authorities and interviews with informants having firsthand knowledge concerning the speeches and nature of disorders involved.

Include a succinct summary of background information concerning subject containing full description, arrest records complete with dispositions and organizational affiliations.

Assign case to an Agent with successful criminal experience who should be accompanied on pertinent interviews with Agents familiar with security matters. Use criminal rules of reporting and limit reports to investigation directly aimed at establishing a violation of Title 18, Section 2101 which prohibits interstate travel or use of any facility of interstate or foreign commerce, including, but not limited to, the mail, telegraph, telephone, radio or television with intent to incite a riot, organize, promote or encourage a riot, commit any act of violence in furtherance of a riot or aiding or abetting any person in inciting or participating in a riot. A new Antiriot Law case is to be opened under 176 classification.

Submit informant information in letterhead memorandum suitable for dissemination and general intelligence information under suitable caption. Furnish copies of reports to pertinent United States Attorneys. Logical interviews are to be conducted whether or not the

Airtel to SAC, San Francisco

person to be interviewed is on the Security and/or Agitator Index or whether that individual can be expected to be cooperative. Students and faculty should be interviewed off campus.

Afford close supervision and aggressive, continuous attention. Submit first comprehensive report within fifteen days setting forth specific leads as to all remaining investigation and surep every fifteen days until all logical investigation is completed and reported.

This and cases involving all other subjects will be presented to the Criminal Division of the Department at the earliest possible date for prosecutive opinion.

If your initial review of the intelligence file fails to indicate any activity indicating a possible Antiriot Law violation on the part of the subject on or after 4/11/68, advise the Bureau by letter and conduct no further investigation.

NOTE: Separate cases have been opened on each subject to determine whether there is sufficient admissible evidence upon which the Department can proceed with Federal Antiriot Law prosecution. 4/11/68 is the effective date of Title 18, Section 2101 and it would appear that in the absence of a conspiracy that it would not be necessary to obtain speeches prior to this date.

Subject is a Key Activist because of his past activities in the New Left Movement. He was a spokesman and leader for the Free Speech Movement at the University of California, Berkeley, California, during 1964 and 1965 at which time students were involved in a number of demonstrations in connection with their refusal to obey University rules and regulations. He has participated in numerous Civil Rights demonstrations and Anti-Vietnam War demonstrations and was a West Coast sponsor for the Student Mobilization Committee to End the War in Vietnam.

This has been coordinated with the Domestic Intelligence Division.

Re San Francisco airtel to Bureau, 3/15/65.

Enclosed herewith are two exhibits, in separate plastic envelopes, submitted for examination. Both exhibits were obtained from Captain WILLIAM BEALL, Berkeley, California, on 3/17/65. The first exhibit consists of an envelope addressed to Chief of Police, Police Station, City Hall, Berkeley, California, and the letter it contained which is copied as follows:

"Chief of Police,
Berkeley, California

"Dear Sir:

"Now that MARIO SAVIO is back in Berkeley, and already started trouble on the campus, We the Committee of Twenty, are giving you fair warning to keep him shut up, or one of our local undertakers will have a customer.

The second exhibit is an envelope addressed to MARIO SAVIE, University of California, Berkeley, Calif. and the letter is contained which is copied as follows:

"San Rafael

"I Think you are a dirty Pig & a Fink & if you keep up your Dirty work I am coming after you. You are nothing But a big Sap.

"Joe Blow

"P.S. Why dont you get out of My Country."

ROBERT S. MARDER, AUSA, San Francisco, California, on 3/22/65, advised that prosecution would be declined because the letter in question is more in the nature of a "crank" type letter and, further, the threat is not specifically directed against either SAVIO or the Chief of Police, Berkeley, California. MARDER said, however, that he desired reasonable effort be made to identify and, then, interview the writer of the letter to admonish him and possibly reconsider for prosecutive purposes.

The laboratory is requested to determine if both exhibits were written by the same person and, to search the letters through the anonymous letter file in an effort to identify the writer. The laboratory is requested to return the exhibits to the San Francisco Division upon completion of the examination.

EXTORTION

Reurairtel 3/15/65.

In extortion matters the FBI does not interview individuals for the purpose of admonishing them to cease and desist in their letter writing activities and any such admonishment rests with the USA. When such request is made, tactfully inform the USA that your office will not locate an individual for the purpose of admonishment.

It is noted Mr. Marder expressed the opinion the threat is not specifically directed against Fording or Mario Savio. However, it is pointed out that the language in the letter does advise the Chief to keep Savio "shut up" and reference to the need for a local undertaker would seem to carry connotation of a threat.

Concerning Mr. Marder's comment that he would possibly reconsider this matter for prosecutive purposes after a subject is identified and interviewed, indicates your office has not obtained a firm prosecutive opinion. You are reminded that it is the prerogative and responsibility of the USA to render prosecutive opinions; however, it is the sole responsibility and function of the FBI to determine the scope and extent of investigation to be conducted.

Q1 through Q4 were compared with the appropriate section of the Anonymous Letter File without effecting an identification.

The physical characteristics of Q1 through Q4 have been recorded for possible future use. No watermarks, indented writings, or other characteristics were noted in Q1 through Q4 which would aid in determining the sources of the material.

Because of the possibility of distortion and a lack of sufficient comparable wordings, a definite conclusion was not reached whether Q1 through Q4 were prepared by more than one person. However, differences in the questioned handwriting on Q1 and Q2 when compared with the questioned handwriting on Q3 and Q4 suggest that the two letters were written by two persons.

**Q1 through Q4 will be returned separately.
Photographs are retained.**

Re San Francisco letter to the Bureau dated 4/13/65, and Bureau letters to San Francisco dated 4/8 and 12/65.

Enclosed herewith are an envelope postmarked 4/5/65, at Oakland, California, addressed to Mr. MALCOLM BURNSTEIN, Attorney at Law, 1440 Broadway, Oakland, California, and the letter it contained. Both items are on stationery of the Biltmore Hotel, Los Angeles, California. The letter contains language of an obscene and objectionable nature so is not being set out verbatim herein. The letter threatens bodily harm to MARIO SAVIO, JACK WEINBERG, ARTHUR GOLDBERG and SUSANNE GOLDBERG and an implied threat of death for SAVIO. It is noted that the named Victims have all been leaders in the Free Speech Movement demonstrations at the University of California, Berkeley, campus during the fall of 1964 and continue as prominent in student demonstrations.

Two other letters have been submitted in this case and the Laboratory examination indicates they were from separate sources. The enclosed letter may be from a third source but nevertheless all are being handled in the same case at San Francisco because the principal Victim appears to be MARIO SAVIO.

The Laboratory is requested to examine the enclosed letter to identify the typewriter used, to compare it in the Anonymous Letter File for possible identification of the

Two letters in this case have been examined by the FBI Laboratory and appear to be from separate sources. A third letter, received from the Berkeley, California, Police Department on 5/11/65, has been sent to the FBI Laboratory by separate communication. The third letter appears to be from a third source. All three letters are being handled in this one case, SF 9-1912, because they all appear to be directed toward MARIO SAVIO. Also, the third letter is being included with this report as an attachment because it contains language of an obscene and objectionable nature.

Arrangements were made with MARIO SAVIO for interview relative to the first two letters, at the Berkeley Resident Agency at 4:00 p.m., 5/11/65. He cancelled that appointment. Advised of the third letter on 5/12/65, he agreed to an interview at 4:00 p.m. the same date at the Berkeley Resident Agency. He appeared for the interview accompanied by ALEXANDER PETER HOFFMAN. HOFFMAN, after evading several direct questions for his purpose at the interview, finally admitted that he was present in the capacity of an attorney for SAVIO. On entering the Berkeley Resident Agency SAVIO referred to the Bureau as the "Federal Bureau of Inquisition", maintained a contentious, peremptory manner, appeared unconcerned about the letters and attempted to propound matters not germane to the interview. Despite a careful explanation of the reasons for desiring the interview without the presence of HOFFMAN, SAVIO declined. The interview was terminated. HOFFMAN resides at 2136 Grant Street, Berkeley, California, and is employed as a Research Lawyer, Center for the Study of Law and Society, University of California, Berkeley, California. He signed the California State Loyalty Oath in connection with that employment. He has been reliably reported as active in the Labor Youth League and as a member prior to 1956.

Character: EXTORTION

Synopsis:

Handwritten letter to ADDISON FORDING, Chief of Police, Berkeley, California, mentions MARIO SAVIO and seems to carry connotation of threat. A second letter to MARIO SAVIE implies a threat. FBI Laboratory unable to identify sender but examination suggests the two letters were written by two persons. AUSA, San Francisco, considers letter to FORDING to constitute a prosecutable violation. A third letter, typewritten, to MALCOLM BURNSTEIN, defense attorney for SAVIO and others, carries threat of bodily harm to SAVIO and others.

- P -

DETAILS:

Investigation in this case is predicated on the following:

Captain WILLIAM BEALL, Berkeley, California, Police Department, on March 15, 1965, advised that the following described letter was received at the Police Department on March 13, 1965, handwritten in ink: "Chief of Police, Berkeley, Calif. Dear Sir, Now that Mario Savio is back in Berkeley, and already started trouble on the campus, we the Committee of Twenty are giving you fair warning to keep him shut up or one of our local undertakers will have a customer. We are fed up over this so-called civil rights and its leaders. /s/Committee of Twenty, Fred (illegible, possibly Mohair), Secretary."

SF 9-1912
HFH:dje

The envelope containing the letter is postmarked at Berkeley, California, March 12, 1965, in the afternoon but the actual time does not show.

MARIO SAVIO is the chief spokesman for the Free Speech Movement (FSM) at the University of California during the fall of 1964, which gained nationwide attention and notoriety. The FSM activity has declined but SAVIO continues as a leader in the civil rights demonstrations involving University of California students and non-students as well.

The aforementioned letter was obtained from Captain BEALL on March 17, 1965. On that date Captain BEALL furnished a second letter, which he said had been turned over to him on March 15, 1965, by MARIO SAVIO. The second letter is as follows:

"San Rafael

"I think you are a dirty Pig & a Fink & if you keep up your Dirty work I am coming after you. You are nothing But a big Sap.

"/s/Joe Blow

"P.S. Why dont you get out of My Country."

ROBERT S. MARDER, Assistant U. S. Attorney, San Francisco, California, on March 22, 1965, advised that prosecution would be declined because the letter in question is more in the nature of a "crank" type letter and further the threat is not specifically directed against either SAVIO or Chief of Police, Berkeley, California. On April 13, 1965, Mr. MARDER advised that on further consideration of the letters involved in this case it is his opinion that the letter to Chief of Police, Berkeley, California, does constitute a prosecutable violation of the Extortion Statute.

Under date of April 8, 1965, the FBI Laboratory advised as follows:

SF 9-1912,
HFH:dje

- Q1 Envelope postmarked "BERKELEY 2 CALIF. MAR 12 PM 1965" bearing handwritten address "Chief of Police Police Station City Hall Berkeley, Calif."
- Q2 Sheet of paper bearing handwritten letter beginning "Now that Mari Sano is. . ." and signed "Committee of Twenty Fred Mohair Sec."
- Q3 Envelope postmarked "SAN FRANCISCO, CALIF. 2 AM 11 MAR 1965" bearing handwritten address "Maria Savie University of California Berkeley Calif."
- Q4 Sheet of paper bearing handwritten letter beginning "I think you are. . ." and ending "P.S. Why dont you get out of my country."

Result of examination:

Q1 through Q4 were compared with the appropriate section of the Anonymous Letter File without effecting an identification.

The physical characteristics of Q1 through Q4 have been recorded for possible future use. No watermarks, indented writings, or other characteristics were noted in Q1 through Q4 which would aid in determining the sources of the material.

Because of the possibility of distortion and a lack of sufficient comparable wordings, a definite conclusion was not reached whether Q1 through Q4 were prepared by more than one person. However, differences in the questioned handwriting on Q1 and Q2 when compared with the questioned handwriting on Q3 and Q4 suggest that the two letters were written by two persons.

Under date of April 12, 1965, the Latent Fingerprint Section, Identification Division, FBI, advised that no latent impressions of value were developed from Q1 and Q3, the two envelopes; or from Q2 and Q4, the two handwritten letters.

SF 9-1912
HFH:dje

On May 11, 1965, Captain WILLIAM BEALL, Berkeley, California, Police Department, furnished an envelope containing a typewritten letter. He said the letter had been handed over to him on April 8, 1965, by MALCOLM BURNSTEIN. The envelope, postmarked April 5, 1965, at Oakland, California, was addressed to MALCOLM BURNSTEIN, Attorney at Law, 1440 Broadway, Oakland, California. Captain BEALL identified BURNSTEIN as the defense attorney representing MARIO SAVIO and others in a trial now in progress for a number of individuals arrested during a "sit-in" demonstration at the University of California on December 2, 1964. The letter is critical of BURNSTEIN for defending MARIO SAVIO, JACK WEINBERG, ARTHUR GOLDBERG and SUSANNE GOLDBERG. The letter, a copy of which is attached to this report, contains language of obscene and objectionable nature in threatening bodily harm to the males named and implies a threat of death for SAVIO. This letter has been submitted to the FBI Laboratory for appropriate examination.

MARIO SAVIO agreed to an interview at 4:00 p.m., May 11, 1965, relative to the first two letters. He cancelled that interview but said he would come for interview at a later time. Advised of the third letter on May 12, 1965, he agreed to an interview at 4:00 p.m. the same date. He appeared for the interview at the appointed time but was accompanied by ALEXANDER PETER HOFFMAN, who claimed to be an attorney for SAVIO. Advised of the confidential nature of the interview, SAVIO was requested to be interviewed alone. He refused this request, did not indicate any concern about the letters other than to say that he did not have any idea who may have written them. The interview was terminated.

ReSFrep of SA Harold F. Hoblit dated 5/21/65.

Referenced report reveals that on 5/12/65 Mario Savio was interviewed concerning this matter at which time he made derogatory remarks concerning this Bureau, appeared unconcerned about the letters and in general demonstrated an extremely uncooperative attitude.

Review of this matter reveals that three letters containing implied threats are involved. The first of these letters addressed to the Chief of Police, Berkeley, California, contains implied threats against Savio. The second letter addressed to Savio and referred by him to the Berkeley Police Department, contained derogatory remarks and an implied threat against Savic. The third letter addressed to Malcolm Burnstein, attorney for Savio, and others, contains obscene, objectionable statements and threats of bodily harm to Savio and his associates.

It appears that statements in these letters which could possibly be considered threats are primarily directed against Savio in view of Savio's past activities at the University of California. Information available to the Bureau indicates that Savio is no longer connected with this university.

RE: UNSUB, AKA. COMMITTEE OF TWENTY

Inasmuch as Savio appears to be the primary target of the unknown subject or subjects, he would, of course, be an extremely vital witness in any successful Federal prosecution in the event subject and/or subjects are identified. Savio's uncooperative attitude and the fact that he will not be a favorable witness should be taken into consideration with reference to any further investigation by this Bureau.

With regard to the letter addressed to Malcolm Burnstein received by your office from the Berkeley Police Department on 5/11/65, it is noted that this letter was received by that department from Burnstein on 4/8/65. It appears that the Berkeley Police Department may have conducted investigation concerning this letter prior to referral to your office. In any event, a delay such as this in referring a matter of this type to this Bureau can normally be expected to adversely effect the outcome of the investigation.

A serious question arises as to whether this Bureau should be expending time and effort in this matter at this time. All factors should be brought to the attention of the U. S. Attorney now for his consideration as to whether any further action by FBI is warranted in this matter. Suairetel results of U. S. Attorney's opinion.

NOTE: Mario Savio was the purported leader of the Free Speech Movement which gained nation-wide notoriety on the Berkeley Campus of the University of California in the Fall of 1964. Information available to the Domestic Intelligence Division indicates Savio is no longer connected with this University. Savio's extremely uncooperative attitude and derogatory remarks concerning FBI would indicate he would not be a suitable witness for Federal prosecution. Inasmuch as threats are primarily directed against him, it appears U. S. Attorney should be made aware of his attitude to determine if further investigation warranted. In the event U. S. Attorney feels further investigation by this Bureau not warranted, San Francisco will be instructed to return the letters to the Berkeley Police Department.

Result of examination:

As the result of a search of the Anonymous Letter

typewriting on Q5 and Q6 in this case bears characteristics
in common with the typewriting on Q1 through Q4 in the case
entitled "Unsub, Richard Carson, Horace H. Cochran - VICTIMS,
EXTORTION"; with the typewriting on Q3 and Q4 in the case
captioned "Unsub, Patricia Daoud-Agha - VIKEX"; and with the
typewriting on material in the case entitled "Unsub,
Anonymous Letter, PM 11-18-63, at San Francisco, California;
Frank Erney - VIKEX." This questioned typewriting, however,
is too limited to definitely determine whether all the
questioned specimens mentioned above were typed on one
typewriter.

The typewriting on Q5 and Q6 most closely
corresponds to a standard for Royal elite style of type
spaced twelve letters to the inch.

Q5 and Q6 have been photographed and are being
returned to San Francisco separately.

Re San Francisco airtel to the Bureau, dated 6/28/65.

ROBERT S. MARDER, AUSA, San Francisco, on 6/30/65, advised that a review of the report in this matter reveals the third letter to contain a definite threat to the life of MARIO SAVIO and that prosecutive violation is involved. He said he recognized the element of hostility on the part of SAVIO, which could hinder his effectiveness as a witness but did not consider that fact or the delay by the Berkeley Police Department in bringing the third letter to the attention of the FBI sufficient to decline prosecution. He also stated he had no objection to the interview of SAVIO in the presence of any attorney of SAVIO's choice.

The San Francisco Division will continue efforts to identify the unknown subject in this case. San Francisco does not, however, anticipate additional interview with SAVIO in the presence of an attorney.

ReSFairtel dated 7/12/65.

The facts of this case clearly indicate that further FBI investigation does not appear desirable. Inasmuch as AUSA Marder is of the opinion that the third letter, the one received by Malcolm Bernstein, contains threats in violation of the Federal Extortion Statute and that this letter was held over 30 days by the Berkeley, California, Police Department prior to referral to your office, all three letters should be immediately returned to the Berkeley Police Department for whatever further action desired by that agency.

When this is done, your office should direct a letter to the USA, pointing out that, in view of Savio's extremely uncooperative attitude, delay in referral by the Berkeley Police Department of the only letter containing any real threat, and the fact that local authorities have concurrent jurisdiction in threatening letters, no further action is being taken by this Bureau.

This matter is to be handled on an expedite basis and the Bureau is to be advised by airtel of final disposition. In future communications use above title.

This is to advise that by communication dated 7/12/65, the San Francisco Office advised that Assistant U. S. Attorney Robert S. Marder requested additional investigation. Facts indicate further FBI investigation is not warranted.

BACKGROUND:

Mario Savio was the spokesman for the student free speech movement at the University of California in the Fall of 1964, and as such was engaged in student demonstrations on the campus. In the past, Savio has associated with known communists. There is no indication Savio is presently connected with the University of California.

On 3/17/65, the Berkeley, California, Police Department furnished two anonymous letters containing implied threats against Savio to our San Francisco Office. The first of these was addressed to the Berkeley Police Department, received 3/13/65. The second was a letter received by Savio furnished to the Berkeley Police Department by him on 3/15/65. Investigation was instituted by San Francisco inasmuch as Assistant U. S. Attorney Marder felt letters constituted possible extortion violation.

By report dated 5/21/65, San Francisco advised that Savio had been interviewed on 5/11/65, at which time he was extremely uncooperative and referred to FBI as the "Federal Bureau of Inquisition." As a result of his attitude and his insistence on being accompanied by his attorney, the interview was immediately terminated. On 5/11/65, the Berkeley Police Department furnished a third anonymous threatening letter, which had been received by Malcolm Burnstein, Savio's attorney, and furnished by him to the Berkeley Police Department on 4/8/65.

Memorandum to Mr. Belmont
Re: UNKNOWN SUBJECT, aka.
COMMITTEE OF TWENTY

On 5/28/65, San Francisco was instructed to discuss this matter with the U. S. Attorney to determine if further investigation was warranted inasmuch as Savio's attitude indicated he would be an extremely hostile witness in any prosecution. San Francisco discussed this matter with Assistant U. S. Attorney Marder at the earliest opportunity and subsequently, after taking this matter under advisement, on 6/30/65, he stated that in his opinion the facts were not sufficient to decline prosecution. He pointed out that the third letter, the one to Burnstein, contained definite threats to Savio's life.

In view of Savio's extremely bad attitude and the fact that the only letter containing any real threat was held by the Berkeley Police Department over 30 days, it does not appear that we should conduct further investigation of this case. The Berkeley Police Department has concurrent jurisdiction in threatening letters of this type.

ACTION RECOMMENDED:

Attached is an airtel to our San Francisco Office instructing that all three letters be returned to the Berkeley, California, Police Department for any further action desired by that agency. San Francisco is also being instructed to advise the U. S. Attorney by letter that in view of Savio's attitude, delayed referral of the letter containing the threat, and the fact that local police have concurrent jurisdiction, the letters are being returned to the Berkeley Police Department, and no further action is being taken by this Bureau.
